## **Celebrate together and be kind to one another**

At Hunkering events we welcome everyone and just love it when people feel free to be themselves. Together we create an open, fun and exciting atmosphere. We expect our visitors to share these values and have an open attitude towards all other guests. Needless to say this is regardless of gender, origin, religion, age, sexual preference, etc. Mind you: **visitors who do show aggressive, rude or discriminating behavior will be denied (further) access.**

## **Visitors must be 21 years or older**

Sorry kids, only visitors that are 21+ are allowed!

We can ask for your identification. You are only able to access the venue when you identify yourself with a legitimate ID.

## **A silent "see you next time"**

We kindly ask you to think about the residents around the venue. Thank you for leaving the event venue as quiet as possible.
